

Rally

Taking a Preventative Approach to Cloud Security

Company Overview

Rally Health, Inc., is a consumer-centric digital health company that makes it easy for individuals to take charge of their health and wellness, working with health plans, providers, and employers to reimagine consumer health engagement. Rally's integrated platform helps employees, payers, providers, and employers maximize the potential of their health and the health care system.

www.rallyhealth.com) simplifies health care, making it easier for companies and employees to manage complex benefits and improve overall health. Among its other responsibilities, the Rally development team supports critical services within the Rally digital ecosystem to establish user identities and to verify eligibility.
